The main business of Prime Investment is the provision of investment services via an online trading platform for trading in Contracts for Difference (the “Trading Platform”). When we refer to “you” and “your” we mean a registered user of the Trading Platform or a visitor to www.PrimelInvestment.com/en-CY

If you decide to download our Software to use the trading demonstration then the terms and conditions contained within this User Agreement (to the extent applicable) apply to you and by downloading the Software you accept this User Agreement and agree to abide by the terms and conditions therein. If you are a visitor of our Website, our Privacy Policy and the Website Terms of Use shall also apply. You agree that if you are a visitor you will not be able to actually place Orders, until you have applied to become our Client and provided we accept you as our Client.

If you are accepted as our Client, this User Agreement together with the terms of the Risk Disclosure Notice, the Order Execution Policy, the Privacy Policy, the Conflict of Interest Policy, the Client Categorisation Policy, the Investor Compensation Fund, the Company Information, and the Key Information Document, which are found on our Website (together the “Client Agreement”) constitute a legally binding contract between us and also include important information which we are required as a Cyprus Investment Firm, under the Law and CySEC Rules, to provide to our Clients. By registering as a user of the Trading Platform you are also consenting to be bound by this User Agreement, which shall become binding on you and us once we accept you as our Client. Therefore, you are strongly advised to read carefully all the documents making up the Client Agreement and any other notices, letters or documents that we shall send you.

Subject to you fulfilling your obligations under the Client Agreement we may enter into transactions with you in CFDs on single securities, baskets of securities, indices, currencies, commodities, base and precious metals. A detailed explanation of the risks associated with trading in CFDs and on the Trading Platform is set out in this User Agreement and the Risk Disclosure Notice (which can be found by clicking on the Risk Warning on the Website). KEY FACTS SUMMARY - Prime Investment

This Key Facts Summary is part of, and should be read in conjunction with, the User Agreement. In the event of any discrepancy between this Key Facts Summary and the User Agreement, the User Agreement shall take precedence.

About us

You are entering into an agreement with us, Prime Investment. We are authorised and regulated by the Cyprus Securities and Exchange Commission "CySEC" under Cyprus Investment Firm Reference Number 250/14.

Target Market

Trading in CFDs offered by the Company will not be appropriate for everyone and we would normally expect the product to be utilised by persons to whom some or all of the following criteria apply: Persons who are classified as Retail clients or Elective Professional clients; Persons who have an acceptable level of knowledge and/or experience to understand the characteristics of CFDs and risks associated with trading on margin; Persons who have ability to bear 100% loss of all funds invested; Persons who have a high-risk tolerance; and Persons who intend to use the product for short-term investment, intraday trading, speculative trading, portfolio diversification and/or hedging of exposure to an underlying asset.

Risks

The value of the financial instruments which you gain exposure in via a CFD (or other similar products) position may go up and down. You should make sure you fully understand the risks involved in trading CFDs (and related products) and take appropriate advice if necessary. CFD trading carries a higher degree of risk than ordinary share dealing and may not be suitable for every customer. A further detailed explanation of the risks associated with trading on the Trading Platform is set out in the [Risk Disclosure Notice](#) which can be found by clicking on the Risk Warning on the Website.

You have no interest in any underlying financial instruments

CFD trading does not give you any right to the underlying instrument of the Transaction. This means that you do not have any interests in, or the right to purchase any underlying shares in relation to such instruments because the CFDs represent a notional value only.

You are responsible for your decisions

We do not and will not provide any advice in relation to a Transaction, your portfolio or trading strategy. This means that we will not make personal recommendations or advise on the merits of purchasing, selling, or otherwise dealing in particular investments or executing particular Transactions, any tax consequences or the composition of any Account or any other rights or obligations attaching to such investments or Transactions. Therefore, you must rely on your own judgment in deciding to enter into or close a Transaction.

The importance of Margin

Before you are allowed to enter into a Transaction, you will generally be required to deposit money with us (known as "Margin"). This Margin will be calculated as a proportion of the overall Transaction value. This means that you will be using 'leverage' or 'gearing' and this can work for or against you. For example, a small price movement in your favour can result in a high return on

the Margin placed for the CFD, but a small price movement against you may result in substantial losses. We offer 'Negative Balance Protection' and 'Margin Close-Out Protection' to protect you and us against adverse movements in your Transactions which result in you operating a running loss and / or owing money in relation to crystallised positions because the prices have moved against you since you opened them. The definitions of 'Negative Balance Protection' and 'Margin Close-Out Protection' are provided in the definitions section of this User Agreement.

We are not obligated to send a Margin Call Alert and you are responsible for maintaining appropriate arrangements with us at all times for the communication of Margin Call Alerts.

In some circumstances and at the sole discretion of Prime Investment, a Margin Call Alert will not be dispatched if your Equity (cash on account with us and value of open positions) falls below the Margin Requirement.

If we allow you to continue to trade or to allow your open Positions to remain open, this may result in you incurring further losses.

Trading and resultant Transactions are not carried out on an exchange or market

The trading you conduct on the Trading Platform is not conducted on an Exchange or a market. We act as counterparty (which means the other side) to the Transactions conducted on the Trading Platform which means that we act as the buyer when you offer to Sell an Instrument and the seller when you offer to Buy an Instrument. Further detail in relation to how we calculate our prices is set out in our Summary Order Execution Policy.

You must act only for yourself ('as principal') and not on behalf of others

We will deal with you on the basis that you act as principal and not as agent for any undisclosed person. This means that unless we have otherwise agreed in writing, we will treat you as our client for all purposes and you will be directly and personally responsible for performing your obligations under each Transaction entered into by you. If you act in connection with or on behalf of someone else, whether or not you identify that person to us, we will not accept that person as an indirect customer of ours and we will accept no obligation to them unless otherwise specifically agreed in writing. Further, failure to inform us that another person is operating the account on your behalf may result in us terminating the agreement, voiding any Transactions undertaking or closing any open Transactions.

Conflicts of Interest

We provide the Trading Platform for dealing in CFDs and do not carry out any competing activities which could give rise to a conflict of interest with clients or between clients. Please refer to Clause 41 below for further details.

Fees

Spreads, fees, interest and other charges will be payable by you when you trade using the Trading Platform. These charges will reduce your trading net profits (if any) or increase your losses. For further details please refer to Part Three of this agreement 'Payment due on the Trading Platform'.

Complaints

We take complaints very seriously and have in place internal procedures, in accordance with CySEC rules, for ensuring that any complaint we receive is dealt with promptly and fairly. If you would like to make a complaint, please contact us to raise your complaint.

For further details please refer to Clause 32 'Complaints' found in Part Four of this agreement 'General Terms Relating to our Relationship with you'. Our Complaints Procedure can also be found on the "Terms and Agreements" page on our website <https://www.PrimeInvestment.com/en-CY/Help/TermsAndAgreements>

Investor Compensation Fund ("ICF") for the clients of Cyprus Investment Firms ("CIFS")

Professional Clients and Eligible Counterparties are not covered by the ICF. For further details please refer to Clause 24 below and our website:

<https://www.PrimeInvestment.com/en-CY/Help/ClientMoneyProtection>

Client money protection

We will treat money received from you or held by us on your behalf as Client Money in accordance with the relevant CySEC Rules. We and any third party who we authorise to hold your money will deal with us in accordance with those rules and hold it in a segregated bank account, alongside the money of our other clients.

- (2) We may terminate this Agreement by giving you advanced written Notice in accordance with Section 22.3 of this Agreement.
- (3) If either party terminates this Agreement and/or closes the account, we will not accept any type of order to open new positions or increase existing positions. Any open positions should be closed by you no longer than 21 days after either party gives Notice, after which we reserve the right to close such Transactions on your behalf, at the last available price, before permanently closing your Trading Account. All credit sums will be paid to you on or about the closure of the account.

10. OPENING AND COMPLETING A TRANSACTION

Transaction, at the price quoted by the Trading Platform at the time of such closing. Transactions or open Positions cannot be transferred to other CFD providers or their platforms. Full details of our Order-Execution Policy, which makes up part of the User Agreement, can be found on the Website.

- 10.4. The Trading Platform will provide a Buy quote and a Sell quote for each Instrument traded on the Trading Platform. Transactions can only be accepted during the Trading Hours specified for each Instrument. You acknowledge that upon opening a Buy or closing a Sell, you may only do so at the price quoted by the Trading Platform to purchase such Instrument. You further acknowledge that upon opening a Sell or closing a Buy, you may only do so at the price quoted by the Trading Platform for such Instrument.
- 10.5. On the Trading Platform, you shall be entitled to make an offer to open a Transaction at the best available price on the Trading Platform (“Market Order”) at the time of opening such a Transaction, unless you specify a particular price in which to make an offer to open a Transaction (“Limit Order”). With respect to a Market Order, the price at which a Transaction is completed may not always be at the exact rate displayed when the Order is submitted. You agree that your offer to open a Market Order may be accepted at a lower price or higher price than the price indicated by you in your Market Order, within a certain range as specified on the Trading Platform from time to time. If you choose to open a Market Order, your order will be accepted at the next available price offered on the Trading Platform, as defined by our Order Execution Policy.
- 10.6. Placing an Order does not guarantee that a Transaction will be entered into under the exact same terms that exist when the Order is placed. Similarly, with respect to a Limit Order, the price at which a Transaction is completed may not always be at the exact price displayed when the Order is submitted. The requested rate of a Limit Order is not guaranteed as the rate (price) can change by more than 1 pip at a time. You understand that Prime Investment has the right to execute your Limit Order while taking into account the conditions offered on the instrument, including but not limited to the leverage ratio, at the time the Order is executed, rather than the conditions offered on the instrument at the time the Order was placed. At any time prior to acceptance of a Limit Order, you may cancel the Limit Order without any further liability. If you choose to open a Limit Order, your order will be executed once the requested rate is reached or surpassed, as defined by our Order Execution Policy. As in certain circumstances, the margin requirements might increase from the time the Order was placed to the time the offer was accepted, although we will take steps to notify you about the increase, it is your responsibility to monitor your account and ensure that the available Equity is sufficient to cover the margin required, in accordance with Section 18.
- 10.7. You agree that your offer to open a Transaction if accepted by us outside Trading Hours may not be capable of execution should the market not trade at the price stipulated once Trading Hours commence.

11.STOP AND LIMITS

- 11.1. We may allow you to specify a closing price for a Transaction through a “Close at Loss” and “Close at Profit” Order, subject always to the terms of the User Agreement and any other terms and conditions we may implement from time to time.
- 11.2. Upon your offer and our acceptance of your Order, you hereby authorise us to close the Transaction at the “Close at Loss” price or “Close at Profit” price, as applicable, and as agreed in the Order, without further instruction from or notification to you. We may

close the Transaction when the price quoted by us on the Trading Platform equals or exceeds the price accepted by us for such an Order. You acknowledge that we will not be required to close any Transaction and we have the right to reject Orders if you are not in compliance with any of the factors set forth in Section 15.14.

- 11.3. We may allow you to request the opening or closing of a Transaction, including a “Close at Loss” and “Close at Profit” Order, within a specific time period determined by you. If we have accepted such a request, we may, acting reasonably, close the Transaction within such specific time period. You acknowledge and agree that we shall not be obliged to close such a Transaction outside such specific time period or which does not otherwise comply with any other limitations agreed upon with respect to such Transaction.
- 11.4. We may accept an offer to place a Trailing Stop in relation to a “Close at Loss”. You acknowledge that the original price level set forth in a Close at Loss may be amended as the market on the Trading Platform moves in your favour. Whilst your trailing “Close at Loss” is still in effect, you agree that each change in the market by at least one pip in your favour shall constitute a new offer by you to raise the level of your trailing “Close at Loss” by one pip. Changes in a Pip will be rounded to the nearest absolute value in your base currency based on your country of origin, as specified on the Trading Platform.
- 11.5. You acknowledge and agree that due to market volatility and factors beyond our control, we cannot guarantee that an Order will be executed at the level specified in your Order, for example, an Order may be closed at a worse price than as originally specified by you in such an Order. In such an event, we will close the Transaction at the next best price. For example, with respect to a Close at Loss, in the case of a Buy to close, the price of an Instrument underlying such Order may suddenly increase above the Close at Loss price, without ever reaching such price. In the case of a Sell to close, the price of an Instrument underlying such Order may suddenly decrease below the Close at Loss price, without ever reaching such price. In both such events you may sustain additional losses.
- 11.6. With respect to a Close at Profit where the price for an Instrument moves to your advantage (for example, if the price goes down as you Buy or the price goes up as you Sell), you agree that we can pass such price improvement on to you.
- 11.7. We may, in our sole discretion, accept your offer to place a Guaranteed Stop Order at an exact price determined by you. Guaranteed Stop Orders are only available on certain Instruments, as indicated in the instrument details tab for an Instrument. If we accept a Guaranteed Stop on a new Order we guarantee that when our bid or offer quoted price reaches or goes beyond the close at loss price specified by you, we will close your position at exactly the price you specify in the Guarantee Stop Order. An open position can be closed in accordance with the User Agreement prior to reaching the Guaranteed Stop Order price level. Where a dividend or benefit event under 15.18 or 15.19 takes place we reserve the right to amend or cancel your Guaranteed Stop Order.

A Guaranteed Stop Order is subject to the following additional conditions:

- 11.7.1 a Guaranteed Stop Order can be requested only on a new Order and is only available on close at loss conditions;
- 11.7.2 a Guaranteed Stop Order can be activated or edited only when there is trading and an eligible Instrument is available on the Trading Platform;
- 11.7.3 once a Guaranteed Stop Order is accepted by us it cannot be removed - only the price can be changed;
- 11.7.4 a Guaranteed Stop Order must be placed a minimum distance (as determined by us) away from the current Instrument price being quoted by us;
- 11.7.5 as we guarantee your close out price, the Spread is adjusted for the additional charge when placing the Guaranteed Stop Order. The adjusted Spread is displayed in the instrument details tab for each eligible Instrument at the time the Guaranteed Stop Order is placed.

12. FEES AND CHARGES

- 12.1. Any open Transaction held by you at the end of the trading day of the Exchange on which the Instrument is traded or over the weekend when the relevant Exchange is closed, shall automatically be rolled over to the next business day to avoid an automatic close and settlement of the Transaction. You acknowledge that when rolling such Transactions to the next business day, an Overnight Funding adjustment will be either added or subtracted from your Trading Account with respect to such Transaction ("Rolling"). Information concerning the Overnight Funding for each Instrument is displayed in the "details" link for each specific Instrument on the Trading Platform. In deciding whether to open a Transaction for a specific Instrument, you acknowledge that you are aware of the Overnight Funding. Subject to prior notice, we reserve the right to update the Overnight Funding percentage for an open position and apply it from then on, based on the updated position value.
- 12.2. We will charge a Currency Conversion Fee for all Transactions on instruments denominated in a currency different to the currency of the Client Trading Account. For any conversion required to be effected from one currency to another for conducting any Transaction pursuant to this Agreement, the Company is entitled to charge a Currency Conversion Fee of up to 0.7% of the Transaction's realised Net Profit and Loss. Such Currency Conversion Fee may be changed from time to time, and it will be reflected in real time into the unrealised Net Profit and Loss of an open Position and will be charged once the Position is closed.
- 12.3. You authorise us to subtract the Currency Conversion Fee from your Trading Account and/or to add or subtract the Overnight Funding to or from your Trading Account for any Transactions that have accrued a Currency Conversion Fee, and/or an Overnight Funding. The Overnight Funding will be added/subtracted to/from your Trading Account in accordance with the applicable rate thereto, each day at the time of collection specified on the Trading Platform for each individual Instrument, as applicable.

- 
- 12.4. For information on other fees that may be payable by you, refer to section 11.7 and 20 of this Agreement.

13. EXPIRY TRANSACTIONS AND ROLLOVER

- 13.1. We may, in our sole and absolute discretion, set an Expiry Date and time for a specific Instrument.
- 13.2. In the event we set an Expiry Date for a specific Instrument, it will be displayed on the Trading Platform in the details link for each specific Instrument. You acknowledge that it is your responsibility to make yourself aware of the Expiry Date and time.
- 13.3. If you do not close an open Transaction with respect to an Instrument which has an Expiry Date, prior to such Expiry Date, the Transaction shall automatically close upon the Expiry Date. The Transaction shall close at a price which will be the last price quoted on the Trading Platform immediately prior to the applicable Expiry Date and time.
- 13.4. For certain Instruments on our Trading Platform that are based on Futures Contracts, we may, in our sole and absolute discretion, and acting reasonably, decide to set an automatic Rollover to the next contract so that they do not automatically expire, unless you or we close the Position before the Expiry Date, in accordance with the User Agreement. We may, at our sole and absolute discretion, with respect to an instrument which has an automatic rollover, amend the date of the automatic rollover. In such circumstances, we will notify you by email, prior to such change. Where an automatic Rollover occurs, the original position will remain open and continue trading on the next contract. In these cases, an adjustment will be made to your Equity in order to reflect the difference between the rate of the expired contract and the rate of the new contract. We may also make a Spread adjustment at the time of Rollover.
- 13.5. When an automatic Rollover occurs, all associated Orders will be rolled over, and their requested levels will be adjusted according to the difference between the old and new contracts on a proportionality, as opposed to absolute basis.
- 13.6. We may, at our sole and absolute discretion, with respect to an Instrument which has an automatic Rollover, remove the automatic Rollover and set back an Expiry Date. Such a change will effect both new positions and existing open positions. In such circumstances, we will notify you by email prior to such change to any existing trade, however, you acknowledge that it is your responsibility to make yourself aware of the specific Instrument details available in the instrument tab on the Trading Platform. In respect of a Rollover of an open position, it is your responsibility to ensure that your Trading Account has sufficient cleared funds to meet the margin required on any relevant new trade to be entered into as part of a Rollover.
- 13.7. You acknowledge that the trading of certain instruments on the Trading Platform may become volatile or illiquid without warning. In such circumstances, it may not be possible to execute orders on your behalf, particularly in the period shortly before an expiry, usually for instruments based on Futures Contracts and Options. If we determine that it would be in our customers' best interests, we may switch to a new contract under a different exchange. Such action would normally require an early rollover of the existing contract; but, in some circumstances, we may need to execute an early expiry, in which case you will receive prior notification by email.

- 13.8. In some circumstances, such as but not limited to, in the event of extremely low liquidity due to pending expiry of an Instrument or where the “Strike Price” of an Option CFD becomes no longer relevant or we stop receiving Bid/Ask prices on a chosen Strike price of an Option, we may, in our sole and absolute discretion, roll your open positions and/or pending orders in some instruments to the next, more liquid contract, or set an earlier Expiry Date for those Instruments, and settle all open positions at the current rate on the market at the moment of the expiry.
- 13.9. We reserve the right acting reasonably and in accordance with our regulatory obligations to require you to close out Transactions in a timely manner in the event that a trading instrument is removed from the Trading Platform. Where Transactions remain open for more than 7 days following our requirement for you to close them out, we reserve the right to close such Transactions on your behalf at the last available price.

14. OUR RIGHT TO CLOSE POSITIONS & PLACE OTHER ACCOUNT RESTRICTIONS

- 14.1. If the prices quoted on the Trading Platform change such that the total Difference payable by you pursuant to all of your open Transactions equals or exceeds the total Maintenance Margin for all such Transactions, or the amount in your Trading Account is equal to or less than the total Maintenance Margin for all of your open Transaction(s), you acknowledge that we have the right, to immediately close or partially close any and all of your open Transactions whether at a loss or a profit and liquidate your Trading Account in accordance with Section 19.3, without any notice. You agree that the exercise of our right to close your open Transactions will not result in termination of your account or of this User Agreement.
- 14.2. Notwithstanding the foregoing in Section 14.1, if the prices quoted on the Trading Platform move against the price of your Transaction, we may, without obligation or liability, notify you that you may increase the available funds balance in your Trading Account, within a short period of time, to cover the Difference and/or meet the Maintenance Margin requirements for the purpose of keeping a Transaction open (Margin Call Alert). If you do not act upon this notification by depositing additional funds within the time prescribed by us, we may, acting reasonably, close or partially close any and all of your open Transactions (Margin Call) whether at a loss or a profit and liquidate your Trading Account for the Difference payable by you. When the Margin Call is entered into force and you maintain more than one position, the positions will start closing out according to their Maintenance Margin, from smallest Maintenance Margin positions to largest Maintenance Margin positions until the Equity reaches above the total Maintenance Margin required for all open positions. Any open position is deemed to be at risk of being closed as soon as the account enters into a Margin Call and the Equity falls below the required Maintenance Margin of your account. It is your responsibility to monitor, at all times, the funds available in your Trading Account to cover any Margin required as a result of your trading decisions.
- 14.3. As set out at Section 13 above, we may specify on the Trading Platform an Expiry Date for various Instruments traded on the Trading Platform. If the Trading Platform specifies an Expiry Date for an Instrument, you hereby authorise us to close any open Transactions with respect to such an Instrument at the price quoted on the Trading Platform at such time.

- 14.4. The Company has the right to close Open Positions at market prices and or limit the size of Client Open Positions and to reject Orders to establish new positions in any of the following cases:
- 14.4.1. in Extreme Market Conditions in the relevant market of the Instrument or its Underlying Asset preventing us from offering our Services in an orderly manner.
 - 14.4.2. at any time, Equity is equal to or less than 50% of the margin needed to keep the Open Position.
 - 14.4.3. the Company rejects the Order due to trading limits imposed on the Client Trading Account.
 - 14.4.4. when the Client does not act upon a Margin Alert under Section 14.1.
 - 14.4.5. a Force Majeure Event has occurred or the quote includes a Manifest Error.
 - 14.4.6. in the event we become aware of any illegal activity or impropriety in the Registration Data.
- 14.5. If we receive, for any reason, a dispute, claim, and/or chargeback from your credit card issuer or any other payment method you use, you acknowledge that we have the right to take any of the following measures, depending on each case:
- 14.5.1. immediately close any and all of your open Transactions whether at a loss or a profit and debit your Trading Account in accordance with Section 19.3, with or without any notice; and/or
 - 14.5.2. immediately place restrictions on your Trading Account with or without any notice, including: i) the restriction on making deposits using any payment method to your Trading Account, even in cases of margin alert(s), ii) the restriction on requesting withdrawals from your Trading Account, and iii) the restriction on opening new positions on the Trading Platform; the duration of the restrictions will be set at the Company's discretion;
 - 14.5.3. terminate the User Agreement in accordance with Section 22.6 of this User Agreement.
- 14.6. Trading Account restrictions may be imposed for further reasons such as, but not limited to, the following:
- 14.6.1. In an Event of Default of the Client (as per Section 22.6);
 - 14.6.2. In the event that the Client fails to provide information to the Company requested as part of its continuous monitoring;
 - 14.6.3. To comply with a legal or statutory obligation of the Company;
 - 14.6.4. In the event we become aware of any illegal activity or impropriety in the Registration Data.
- 14.7. The Company will not be held liable for any loss, cost or charge incurred resulting directly or indirectly from the exercise of our right to place restrictions on your Trading Account

or take any other action as provided in sections 14.5 and 14.6 of this User Agreement. You further agree that the exercise of our right under sections 14.5 and 14.6 of this User Agreement does not affect, diminish, influence or alter in any way our rights to make Margin Calls under this User Agreement.

15. GENERAL RULES OF TRADING

- 15.1. You acknowledge and agree that each Transaction conducted on the Trading Platform, including the placing of an Order, is comprised of first, an offer by you to us to complete a Transaction (whether such offer is to open a Transaction or close an existing open Transaction) at a certain price quoted on the Trading Platform, and our subsequent acceptance of your offer. A Transaction will be deemed to have been completed only when your offer has been received and accepted by us. Our acceptance of an offer will be evidenced by our confirmation of its terms to you and its completion.
- 15.2. We will be under no obligation to provide quotes for, or accept, execute or cancel, all or any part of a Transaction that you have requested through the Trading Platform without giving any reason. You may request to cancel or amend a Transaction at any time prior to our completing such a Transaction. We shall be entitled, but not obliged, to accept such a request.
- 15.3. Any Financial Data, prices, leverage, margin or other information available to you on the Website or the Trading Platform or offered by us in any other form or by any other means whatsoever ("Content"), is provided as general market commentary on a best endeavours basis and does not constitute investment advice. Furthermore, such Content is subject to change at any time without notice. Whilst we do take reasonable measures to ensure the accuracy of such information, we will not accept liability for any loss or damage, including without limitation, any loss of profit, which may arise directly or indirectly from use of or reliance on such information.
- 15.4. You acknowledge that all prices shown on the Trading Platform are indicative only of actual trading prices in Normal Market Size and therefore are subject to constant change. Accordingly, as is detailed in our Order Execution Policy, where you make an offer to open or close a Transaction the price at which we accept such an offer may have changed from that previously indicated on the Trading Platform.
- 15.5. You shall comply with any reasonable restrictions or limitations applied from time to time on any instrument, in accordance with our risk management policies, including limitations on the size of new Transactions (either as a single Transaction or aggregated Transactions) or other conditions that may apply to our quote.
- 15.6. You acknowledge that whilst the Prices displayed on our platform will take into account a variety of factors including prevailing conditions and trading demand on the Trading Platform, market data from various third party external reference sources, they are not taken directly and/or exclusively from one source, and therefore may not match prices that you see elsewhere (including prices quoted on stock exchanges). You further acknowledge that the triggering of your Transaction is linked to the prices we quote on the Trading Platform, not the prices quoted on the relevant Exchanges. You acknowledge that all prices shown on the Trading Platform are indicative only of actual trading prices in Normal Market Size and are subject to constant change. We attempt to generate Prices on an ongoing basis and to have the currently applicable Prices displayed on the Trading Platform as quickly as possible. However, technical conditions (e.g., the transfer rate of

data networks or the quality of your internet connection, as well as rapid market fluctuations) may lead to a change in the applicable Price between the time the Order is placed by you and the time the Order is received by us or the Order is executed by the Trading Platform. In addition, there will be times when circumstances may prevent the Trading Platform from quoting Prices or affect the Prices being quoted. Our prices may differ from the current prices on the relevant Exchanges and you acknowledge that a Transaction may or may not be triggered even though:

- 15.6.1. an Exchange never traded at the level of your Transaction; or
- 15.6.2. the Exchange did trade at the level of your Transaction but for such a short period it would have been impractical to execute an equivalent Transaction on the Exchange.
- 15.7. When you complete a Transaction on the Trading Platform, you agree that you are dealing with us as principal, off-exchange and are not dealing 'on Exchange'. You should note that you are trading on the outcome of the price of a financial derivative and will not be entitled to delivery of, or be required to deliver, the underlying product.
- 15.8. Remember that when you open a transaction on the Trading Platform you are trading with CFDs, which means that you enter into a contract with us for the difference between the value of an Instrument as specified on the Trading Platform at the time of opening a Transaction, and the value of such Instrument at the time of closing the Transaction. You acknowledge and agree that you are not entitled to ownership of the underlying asset of such a contract e.g. the actual Shares or the rights offered in a rights issue event or the shares offered in an Options contract.
- 15.9. You acknowledge that any prices quoted on the Trading Platform are set by us taking into account a variety of factors including prevailing market conditions and trading demand on the Trading Platform. You undertake and agree not to use the prices quoted on the Trading Platform for any purpose other than for your own trading and you agree not to communicate our prices to any other person under any circumstances.
- 15.10. You acknowledge that each Transaction is made for a specified number of units that constitute the underlying Instrument. You may only complete Transactions on the Trading Platform for the minimum number of units as set forth on the Trading Platform as the "Unit Amount", and in multiples of such "Unit Amount" up until the maximum amount permitted by the Trading Platform. You acknowledge and agree that we may set and/or change the "Unit Amount" for each Instrument at any time, without prior notice.
- 15.11. Each Transaction opened by you, and any Transaction completed, will be binding on you notwithstanding that by opening the Transaction you may have exceeded any credit or other limit applicable to you or in respect of your dealings with us.
- 15.12. Subject to Section 15.14 you may request a quote to open or close a Transaction for a particular Instrument, at any time during the Trading Hours for such Instrument. We will be under no obligation to but may provide a quote and accept and act on your offer to open or close a Transaction for an Instrument outside of the Trading Hours of such Instrument. Transactions may only be executed during the time when the relevant Exchange where the Instrument is traded is open for business. Prime Investment's Trading Hours are displayed on the Trading Platform under the details link for each Instrument which may or may not be the same as the Trading Hours of the relevant Exchange. It is your responsibility to ensure you are aware of which Instrument may be affected.

- 15.13. Without derogating from Section 10.4, if, prior to the acceptance of your offer to open or close a Transaction, we become aware that any of the factors set out in Section 15.14 have not been met, we reserve the right to reject your offer outright. If we have, nevertheless, already opened or closed a Transaction prior to becoming aware that a factor set out in Section 15.14 has not been met, we may, acting reasonably, either treat such a Transaction as void from the outset or close it at our then prevailing price. However, we may allow you to open or, as the case may be, close the Transaction in which case you will be bound by the opening or closure of such Transaction, notwithstanding that the factors in Section 15.14 were not satisfied.
- 15.14. The factors referred to in Section 15.13 include the following:
- 15.14.1. the quote must be obtained via the Trading Platform or by such other means as we may from time to time notify you;
 - 15.14.2. your offer to open or close the Transaction must be given while the quote is still valid;
 - 15.14.3. the quote must not contain a Manifest Error;
 - 15.14.4. when you offer to open a Transaction, the number of units in respect of which the Transaction is to be opened must be neither smaller than the minimum unit amount specified on the Trading Platform for the Instrument, as applicable, from time to time, nor greater than the amount permitted in accordance with the terms of this User Agreement;
 - 15.14.5. when you offer to close part but not all of an open Transaction both the part of the Transaction that you offer to close and the part that would remain open if we accepted your offer must not be smaller than the minimum unit amount specified on the Trading Platform;
 - 15.14.6. a Force Majeure Event must not have occurred as described in Section 16.1;
 - 15.14.7. when you offer to open or close a Transaction an Event of Default must not have occurred in respect of you;
 - 15.14.8. when you offer to open any Transaction, the opening of the Transaction must not result in your exceeding any initial or Maintenance Margin amount, credit or other limit placed on your dealings;
 - 15.14.9. subject to Section 15.11, your offer must be given to us during the Trading Hours for the applicable Instrument in respect of which you offer to open or close the Transaction; and
 - 15.14.10. any other factor that we, acting reasonably, notify you from time to time.
- 15.15. If, before your offer to open or close a Transaction is accepted by us, our quote moves to your advantage (for example, if the price goes down as you Buy or the price goes up as you Sell) we will pass such price improvement on to you. The effect of such action being that we operate symmetric price slippage. Please see our Order Execution Policy for further details.
- 15.16. Use of any automated data entry system with the Trading Platform is expressly prohibited. All Transactions must be completed manually by you. Any Transaction

completed through such use of an automatic data entry system shall be null and void. Upon a breach of this Section 15.16, we may immediately close all or any of your accounts held with us of whatever nature, terminate the User Agreement without notice and refuse to enter into further Transactions with you. Furthermore, any monies held in your Trading Account shall be frozen and we shall be entitled to deduct any amounts from your Trading Account in order to set off any loss, damages or expenses incurred by us as a result of a breach of this Section and reverse any profits gained as a result of the application of such automated data entry system. Any remaining monies in your Trading Account will be returned to you in accordance with Section 22.8.

- 15.17. If you have more than one Trading Account with us (or another account is a Connected Account), each Trading Account can be treated entirely separately unless you receive prior written approval from us. Therefore any credit on one Trading Account (including amounts deposited as Margin) will not discharge your liabilities in respect of any other Trading Account. It is your responsibility to ensure the required level of Margin is in place for each Account separately.
- 15.18. Benefits - Dividends. An adjustment to your Trading Account may be made in respect of a dividend or distribution attributable to any specific Instrument and shall be calculated by us, based on: the size of the dividend, the size of your position, taxation and whether it is a buy or a sell trade. Where you hold a long Position, we adjust your Trading Account in your favour by the dividend multiplied by the long quantity as adjusted, if necessary, for taxation. Where you hold a short Position, we adjust your Trading Account in our favour by the dividend multiplied by the short quantity as adjusted, if necessary, for taxation. Such adjustments are made on as timely basis as possible, however, as we are dependent upon notification from an external third party we shall not be liable for the consequences of any delayed adjustments.
- 15.19. Benefits - Takeovers and Transformations (including events such as share consolidations/splits, mergers, takeovers, spinoffs, MBOs, de-listings, etc.). Depending on the circumstances of each event, we endeavour when possible to close out open Positions at the market price immediately prior to the event taking place. As a result of such event, if any Instrument becomes subject to an adjustment we shall determine the appropriate adjustment to be made to your account given the diluting or concentrating effect of the action. Such adjustment shall represent the economic equivalent of the rights and obligations of us and you immediately prior to the action.
- 15.20. If an Option CFD becomes subject to a corporate event such as a possible stock-split/reverse stock-split adjustment as a result of a stock-split/reverse stock-split adjustment on the underlying Option CFD share, we will close any open positions on the instrument prior to that corporate event. We will endeavour when possible to notify you beforehand of such an event, however this cannot be guaranteed.
- 15.21. Insolvency. If a Company, whose Instrument forms the CFD goes into insolvency or is otherwise dissolved, we shall close any of your open Transactions in the CFD of that Instrument. The closing date shall be the date of insolvency.
- 15.22. Suspension of trading. If an instrument stops trading indefinitely on an exchange, e.g. due to corporate misconduct, we shall remove the instrument from the Trading Platform. All open positions on the instrument will be closed at the last available price on the Prime Investment Trading Platform prior to the suspension.
- 15.23. Declaring Bankruptcy. If a Company whose Instrument forms the CFD declares bankruptcy, we shall remove the instrument from the Trading Platform on the same day

the company filed for bankruptcy and close out all open positions on the instrument at the end of the same trading day.

- 15.24. The Company's BUY and SELL prices for a given CFD are calculated by reference to the price of the relevant Underlying Asset, traded on the relevant Exchange. Third party reputable external resources (i.e. feed providers) obtain prices (BUY and SELL prices) of the Underlying Asset for a given CFD from the relevant Exchange. The Company then uses the prices given by the feed providers to calculate their own tradable prices for a given CFD. The Company adjusts the Spread (i.e. the difference between the BUY and SELL prices), hence the prices it quotes to Clients compared to the prices it obtains from third party external reference sources may differ, as they include a Spread adjustment.

16.FORCE MAJEURE EVENTS

- 16.1. We may, in our reasonable opinion, determine that a Force Majeure Event exists. A Force Majeure Event will include, but is not limited to, the following:
- 16.1.1. any act, event or occurrence (including without limitation any strike, riot or civil unrest, act of terrorism, war, industrial action, acts and regulations of any governmental or supra national bodies or authorities) that, in our opinion, prevents us from maintaining an orderly market in one or more of the CFDs in respect of which we deal on the Trading Platform;
 - 16.1.2. the suspension or closure of any Exchange or the nationalisation, government sequestration, abandonment or failure of any Instrument on which we base, or to which we in any way relate, our quote, or the imposition of limits or special or unusual terms on the trading in any such market or on any such event;
 - 16.1.3. the occurrence of an excessive movement in the level of any Transaction and/or Exchange or our anticipation (acting reasonably) of the occurrence of such a movement;
 - 16.1.4. any breakdown or failure of transmission, communication or computer facilities, interruption of power supply, or electronic or communications equipment failure; or
 - 16.1.5. the failure of any relevant supplier, Financial Institution intermediate broker, agent or principal of ours, custodian, sub-custodian, dealer, Exchange, clearing house or regulatory or self-regulatory organisation, for any reason, to perform its obligations.
- 16.2. If we determine that a Force Majeure Event exists, we may without notice and at any time, acting reasonably, take one or more of the following steps:
- 16.2.1. alter your Margin requirements; which may result in you being required to provide additional Margin;
 - 16.2.2. close all or any of your Open Positions at such closing prices as we reasonably believe to be appropriate;

- 16.2.3. suspend or modify the application of all or part of the User Agreement to the extent that the Force Majeure Event makes it impossible or impracticable for us to comply thereto; or
 - 16.2.4. alter the Trading Hours for a particular Transaction.
 - 16.2.5. void all Open Positions in affected Instruments.
 - 16.2.6. increase the Initial and Maintenance Margin Level requirements.
 - 16.2.7. decrease Leverage
 - 16.2.8. roll your positions over to a new contract in accordance with Section 13 of this User Agreement, including rollover to a new contract under a different exchange.
- 16.3. When you trade CFDs on cryptocurrencies you need to be aware of the risk of a hard fork occurring. A hard fork is when a single cryptocurrency splits in two. Prime Investment reserves the right to determine which cryptocurrency has the majority consensus behind it and use this as the basis for cryptocurrency contracts. If the hard fork results in a viable new cryptocurrency becoming tradeable on exchanges we work with, then in our absolute discretion, we may create an equivalent position or cash adjustment on client accounts to reflect its value. Otherwise, we may need to take one or more of the steps listed in Section 16.2. While we endeavour to notify you of potential forks, it is your responsibility to make yourself aware of the market conditions and the forks that could occur. When a hard fork occurs, there may be substantial price volatility around the event, and we may suspend trading if we do not have reliable prices from the underlying market.
- 16.4. You agree that we will not be liable in any way to you or to any other person in the event of a Force Majeure Event, nor for our actions pursuant to Section 16.2, if we decide to take such action. The parties shall be released of all responsibilities for partial or full non-fulfilment, as well as for improper fulfilment of the obligations under this Agreement, if such non-fulfilment or improper fulfilment was a result of a Force Majeure Event, which occurred after the User Agreement was concluded.

PART THREE - PAYMENT DUE ON THE TRADING PLATFORM

17.CLIENT MONEY AND DEPOSITS

- 17.1. You hereby agree that all funds and currencies belonging to you ("Client Money")
- 17.1.1. shall be held by us in our designated and segregated client money accounts; and
 - 17.1.2. shall at any time be in our possession or control;

are subject to a right of off-set for all liabilities that you owe to us, irrespective of the number of accounts you may have with us. Designated client money is segregated from the assets of the Firm and is deemed client money for the purposes of the CySEC rules.

- 17.2. You agree that:
- 17.2.1. we may place your funds in our designated Client Money accounts in a different currency to your base currency. Such Client Money will be at least equal in value to your base currency.
 - 17.2.2. we may hold Client Money and the money of other clients in the same accounts (omnibus accounts).
 - 17.2.3. the third party to whom the Company will pass Client Money may hold it in an omnibus account and it may not be possible to separate it from the client's money, or the third party's money.

The legal and regulatory regime applying to any such person located outside Cyprus may be different from that of Cyprus and in the event of the insolvency or any other equivalent failure of that person, the Client Money may be treated differently from the treatment which would apply if the money was held in a segregated client money account in Cyprus.

In the event of the insolvency or any other analogous proceedings in relation to that third party, the Company may only have an unsecured claim against the third party on behalf of the client, and the client will be exposed to risk that the money received by the Company from the third party is insufficient to satisfy the claims of the client with claims in respect of the relevant account.

The Company does not accept any liability or responsibility for any resulting losses. The Company will not be liable for the solvency, acts or omissions of any third party referred to in this Section.

- 17.2.4. we shall have a general lien on all funds held by the Company or its associate third parties or its nominees on the client's behalf until the satisfaction of your obligations.
- 17.2.5. The Company may deposit Client money in overnight deposits and will be allowed to keep any interest.

- 17.3. You agree that we may, acting reasonably, without notice to you, apply and/or transfer any or all funds or currencies of yours between any of your accounts, or Connected Accounts, for the purposes of settling your future, actual or contingent obligations.
- 17.4. In the event that funds were transferred to your Trading Account from a source other than an account registered in your name or of which you are not a beneficiary, we reserve the right to return the funds to their origin as well as to void all trading transactions executed with these funds.
- 17.5. No interest is due or will be paid in respect of Client Money. The Client waives all rights to interest.
- 17.6. You consent to and direct us to retain any interest accrued from time to time on the Client Money and to invest that money as permitted by law.

CLIENT MONEY RULES

- 17.7. The Company will promptly place any Client money it receives into one or more segregated account(s) (denoted as "clients' accounts") with reliable Financial Institutions (within or outside Cyprus or the EEA) such as a credit institution or a bank in a third country. It is understood that the Company may keep merchant accounts in its name with payment services providers used to settle payment transactions of its Clients. However, for the avoidance of doubt, it is noted that such merchant accounts are not used for safekeeping of Client money but only to effect settlements of payment transactions.
- 17.8. Client Money is being processed through accounts maintained with the following Payment Service Providers: Skrill Ltd, a regulated e-money institution by the UK Financial Conduct Authority (FCA); Ingenico ePayments, a regulated payment institution by the De Nederlandsche Bank (DNB); WorldPay B.V. (WPBV), a regulated payment institution by the DNB; PayPal (Europe) S.à r.l. et Cie, S.C.A., a licensed credit institution by the Luxembourg supervisory authority, the Commission de Surveillance du Secteur Financier (CSSF); Safecharge Ltd, a regulated e-money institution by the Central Bank of Cyprus (CBC); PPRO Payment Services S.A. a regulated e-money institution by the CSSF; and Credorax Bank Ltd, a regulated payment institution by the Malta Financial Services Association (MFSA). Whilst we remain responsible for the handling of client money, in certain circumstances certain payment methods may not be available to the Company. In such circumstances Prime Investment Ltd. may operationally handle customer deposits using these payment methods, always in accordance with the relevant safeguarding and anti- money laundering requirements provided by the legislation binding the Company.
- 17.9. We will carry out reconciliations of records and Client Money with the records and accounts of the money we hold in designated client money accounts on a daily basis, and any required transfer to or from the client money accounts will take place by the close of business on the day that the reconciliation is performed. We reserve the right to carry out such reconciliations and transfers more frequently, should we reasonably consider that this is necessary to protect our Client's as well as ours interests.
- 17.10. According to CySEC Rules and the Law, the Company shall exercise due skill, care and diligence in the selection and appointment and periodic review of the financial institution of Section 17.7 of this User Agreement and the arrangements for holding of Client money. The Company takes into account the expertise and market reputation of such institutions with the view of ensuring the protection of Client's rights, as well as any legal or

regulatory requirements or market practices related to holding of Client money that could adversely affect Client's right.

- 17.11. According to CySEC Rules and the Law, for the purposes of safeguarding of Client money, the Company:
- 17.11.1. shall keep such records and accounts as are necessary to distinguish Clients' assets from its own and of other Clients'; such records shall be accurate and correspond to the Client money;
 - 17.11.2. shall conduct, on a regular basis, reconciliations between its internal accounts and records and those of any third parties by whom those assets are held;

 - 17.11.6. shall introduce adequate organizational arrangements to minimize the risks of the loss or diminution of Client money, as a result of misuse, fraud, poor administration, inadequate record keeping or negligence.
- 17.12. The Company has duty to and shall exercise due skill, care and diligence in the selection of the financial institution according to Section 17.7 of this User Agreement. However, it is understood that there are circumstances beyond the control of the Company and hence the Company does not accept any liability or responsibility for any resulting losses to the Client as a result of the insolvency or any other analogous proceedings or failure of the financial institution where Client money will be held.
- 17.13. The financial institution (of Section 17.7 of this User Agreement) where Client money will be held may be within or outside Cyprus or the EEA. It is understood that the legal and regulatory regime applying to any such financial institution outside Cyprus or the EEA will be different from that of Cyprus. Hence, in the event of the insolvency or any other equivalent failure or preceding of that person, the Client's money may be treated differently from the treatment which would apply if the money was held in a Segregated Account in Cyprus.
- 17.14. The financial institution to which the Company will process Client money (as per Section 17.7 of this User Agreement) may hold it in an omnibus account. Hence, in the event of the insolvency or any other analogous proceedings in relation to that financial institution, the Company may only have an unsecured claim against the financial institution on behalf of the Client, and the Client will be exposed to the risk that the money received by the Company from the financial institution is insufficient to satisfy the claims of the Client.

- 17.15. The Client may deposit funds into the Trading Account at any time during the course of this Agreement. Deposits will be made via the methods and in the currencies accepted by the Company from time to time. The detailed information about deposit options is shown on the Website.
- 17.16. Any deposit in foreign currency to the Client Account, shall be converted into the currency of the designated Client Account. The Client acknowledges and agrees that the Client shall undertake all risks deriving from any such conversion and in particular, without prejudice to the generality of the above, the risk of loss which may be incurred as a result of fluctuations in exchange rates.
- 17.17. The Company shall have the right to request the Client at any time any documentation to confirm the source of funds deposited into the Trading Account. The Company shall have the right to reject a deposit of the Client if the Company is not duly satisfied as to the legality of the source of funds and resend them back to the sender.
- 17.18. It is agreed and understood that the Company will not accept third party or anonymous payments in the Trading Account. If the funds sent by the Client are not deposited into his Trading Account within the applicable timeframe, the Client shall notify the Company who will investigate the matter. The Client understands and agrees that in order to perform the investigation the Client shall have to provide the Company with the requested documents and certificates.
- 17.19. In certain circumstances you may encounter a limit and restrictions on your Deposit for AML, Compliance and suspected fraud and Platform Abuse reasons (under Section 9.1). Such Deposit limits and restrictions may vary between Trading Accounts and may be based upon a number of factors, including but not limited to, country of residence, remittance source, payment methods used, frequency and amounts of monetary transactions etc. Therefore, with regards to your Trading Account's Deposit limits and restrictions, you acknowledge that you should explicitly request the relevant information in writing via the ["Contact Us"](#) page on our Website.

18.MARGIN AND DEPOSIT REQUIREMENTS

- 18.1. In order to open a Transaction for an Instrument, you undertake to provide the Initial Margin in your Trading Account. In order to keep a Transaction open, you undertake to ensure that the available amount in your Trading Account equals or exceeds the Maintenance Margin. You acknowledge that the Margin for each Instrument differs and the Company has the right to change the Margin Requirements from time to time. The Margin Requirements for each type of Instrument is available on our Website and it is your responsibility to check that you comply with the Margin Requirements at all times.
- 18.2. Based on the amount of money you have in your Trading Account, we retain the right to limit the amount and total number of open Transactions that you may wish to open or currently maintain on the Trading Platform, in order to keep your Equity within the Maintenance Margin. Where your Maintenance Margin is not maintained the Company reserves the right to close your open Transactions. For further information please refer to Section 14.1.

- 
- 18.3. Deposits for Margin and any other deposits due will, unless otherwise agreed or specified by us, be required in your base currency, based on your country of origin as specified in your address and as specified on the Trading Platform. We shall not, and you shall not request us to, convert any monies standing to your credit or which have been paid by you into your Trading Account in one currency to another currency.
- 18.4. You are aware and acknowledge that we may enquire whether you wish to increase the amount in your Trading Account by sending you a Margin Call Alert. A Margin Call may be based upon a number of factors, including without limitation, your overall total value of open Positions with us, your account size (Equity), the number of open Transactions you have, volume traded, your trade history and market conditions. No previous Margin requirements specified by us shall preclude us from increasing the rates of Margin without notice. It is your responsibility to monitor at all times the funds available in your Trading Account to cover any Margin required as a result of your trading decisions.
- 18.5. In order to prevent a position from closing due to a Margin Call, you agree to immediately satisfy any Margin Call Alert, by electronic transfer to your Trading Account in the time prescribed by us. Please note that, depending on the payment method, deposits may not be reflected on your Trading Account instantaneously and, additionally, may be subject to further delays if a security review is undertaken by third party payment providers or by us. Our failure on one or more occasions to enforce or exercise our right to insist on immediate payments as set forth herein will not amount to a waiver or bar to enforcement of that right. Failure to meet the Margin Requirement at any time or failure to make a Margin Payment when due may result in closure or partial closure (Section 14) of your open Positions without further notice to you.
- 18.6. In certain circumstances you may encounter a limit on your Deposit for credit reasons (Section 5.2.5). To meet your Margin requirements you should consider reducing the total number of your open Transactions (Section 18.2).

19. PAYMENTS (WITHDRAWALS) AND OFF-SETTING MONIES OWED

- 19.1. Upon completing a Transaction, and subject to any applicable adjustments for interest as set forth in this User Agreement:
- 19.1.1. You shall be liable for the Difference if the Transaction is:
- (i) a Sell, and the closing price of the Transaction is higher than the opening price of the Transaction; or
 - (ii) a Buy, and the closing price of the Transaction is lower than the opening price of the Transaction.
- 19.1.2. You shall receive the Difference if the Transaction is:
- (i) a Sell, and the closing price of the Transaction is lower than the opening price of the Transaction; or
 - (ii) a Buy, and the closing price of the Transaction is higher than the opening price of the Transaction.

- 19.2. Unless we agree otherwise, all sums for which you are liable pursuant to Section 18.1 are due immediately upon the closing price of your Transaction being determined by us and the Transaction being closed.
- 19.3. You hereby authorise us to automatically debit your Trading Account for the amounts for which you are liable pursuant to Section 19.1 upon the closing of a Transaction, or for any other amounts due by you under this User Agreement, without further notice. Any failure to enforce our rights hereunder shall not be deemed a waiver by us to enforce our rights hereunder.
- 19.4. Subject to any amounts for which you are liable under this User Agreement and the amount of the Maintenance Margin required in your Trading Account in accordance with this User Agreement due to open Transactions, any money standing to the credit of your Trading Account will be remitted to you upon your request subject to our minimum withdrawal amount, as described in Section 19.4.1. Where you do not make such a request, we will be under no obligation to, but may remit such monies to you. The manner in which we remit monies to you will be in our absolute discretion. We may require payments to go to an account in your name and from which you originally remitted funds to us and may request evidence from you that such an account is in your name and ownership before effecting such payment. If you deposited funds using a credit card we may remit funds back to the credit card used for the deposit. The maximum number of monthly withdrawals on a User's Account is five (5). We reserve the right to charge you for exceeding the maximum number of monthly withdrawals a fee of 10USD (or equivalent) per each exceeding withdrawal. Withdrawals via bank transfer may incur a charge of up to 6USD due to bank processing charges.

The minimum withdrawal amount for PayPal and Skrill is 50USD (or equivalent as applicable to your chosen currency). The minimum withdrawal amount for bank transfers and credit cards is 100USD (or equivalent as applicable to your chosen currency). Processing a withdrawal request of less than the minimum withdrawal amount will incur a fee of 10USD (or equivalent). Upon receipt of a written request from you, we will proceed with the withdrawal and deduct all charges arising from your Trading Account. Where you wish to close your account and have the funds remaining, please note that funds returned via Credit Card (where your Credit Card is refundable) do not incur an additional fee (or the fee is minimal and will be absorbed by the Company in these instances). However, where funds are returned via other methods (e.g. Bank Transfer, PayPal, etc.) a fee of 10USD (or equivalent) will be charged to your Trading Account.
- 19.5. You shall be liable for any and all taxes, fees, charges and assessments with respect to any Transaction you complete on the Trading Platform. It is your obligation alone to calculate and pay all taxes applicable to you in your country of residence, or otherwise arising as a result of your trading activity from the use of the Trading Platform.
- 19.6. Notwithstanding the above, if required by applicable law, the Company shall deduct at source from any payments due to you such amounts as are required by the tax authorities to be deducted in accordance with applicable law.
- 19.7. It is possible that other costs, including taxes, relating to Transactions carried out on the Trading Platform may arise for which you are liable and which are neither paid via us nor imposed by us. Without derogating from your sole and entire responsibility to account for any tax due, you agree that we may deduct tax, as may be required by the applicable

law, with respect to your trading activity on the Trading Platform. You are aware that we have a right of set-off against any amounts in your Trading Account with respect to such tax deductions, and you hereby authorise us to withdraw amounts from your Trading Account with which to pay such taxes. You shall have no claim against us with regard to such deductions. You further agree that such deductions do not derogate from our rights to make Margin Calls under this User Agreement.

- 19.8. It is hereby clarified that, subject to the terms of this User Agreement, the Difference is the only payment required from or by you for the use of the Trading Platform. Notwithstanding the above, we reserve the right to charge an inactivity fee (please see Section 20 for further details).
- 19.9. We reserve the right to seek reimbursement from you if we receive a charge-back from any credit card issuer or with respect to any other payment method, for any reason. We may obtain such reimbursement by charging your Trading Account, deducting amounts from future payments owed to you, charging your credit card or obtaining reimbursement from you by any other lawful means. You agree that the Company shall exercise its rights under this Section 19.9 reasonably and in order to, but not limited to, reduce its risk of further loss, protect its own interests should it be alleged that the Trading Account was opened or funded by a third party and not the cardholder himself or make sure that the required Maintenance Margin shall be met in the end (should any money be finally removed from the Trading Account as a result of the chargeback).
- 19.10. In situations where the company reasonably deems Platform Abuse has occurred, we reserve the right to seek reimbursement from you or any Connected Account if Transactions conducted on your account, the possibly Connected Account or the account of any other Acting in Concert with you, result in a recurring need for Company to cover losses. We may obtain such reimbursement by charging your Trading Account or any Connected Account, deducting amounts from future payments owed to you or to any Connected Account or by obtaining reimbursement from you by any other lawful means.
- 19.11. Should your country of residence have regulations or laws which restrict the use of currency or require you to report receipts and payments of that currency to a regulator or legal authority, you agree that you will fulfil any reporting obligations or obtain any required consents or approvals which may arise as a result of your use of the Trading Platform and associated Transactions.
- 19.12. The Company shall make withdrawals of Client funds upon the Company receiving a relevant request from the Client in the method accepted by the Company from time to time. Withdrawals from your Trading Account should be made using the same method used by you to fund your Trading Account and to the same remitter. We reserve the right to decline or cancel a withdrawal request with a specific payment method and suggest another payment method for which you will need to proceed with a new withdrawal request and supply further supporting documentation, upon request, for our internal checks and proper processing of the withdrawal request. Upon the Company receiving an instruction from the Client to withdraw funds from the Trading Account, the Company shall pay the said amount, if the following requirements are met:
- 19.12.1. the withdrawal instruction includes all required information;
- 19.12.2. the instruction is to make a payment to the originating account from which the money was originally deposited in the Trading Account;

- 19.12.3. the account where the transfer is to be made belongs to the Client; we may request evidence from you that such an account is in your name and ownership before effecting such payment;
- 19.12.4. there is no Force Majeure event which prohibits the Company from effecting the withdrawal.
- 19.13. Subject to the requirements of Section 19.12, withdrawals from your Trading Account are processed without delay and, if possible, within one business day upon receipt of the withdrawal request. Please note, however, that withdrawals may be subject to additional processing time depending on the procedures of the third party remitters, the banking institutions and the jurisdictions in question. Following receipt of a withdrawal instruction, the request is processed and the requested withdrawal amount will be deducted from your Trading Account balance. During such time until the withdrawal request is in the status 'Approved in progress', the withdrawal request can be canceled by you. Until the withdrawal request is in the status 'Approved Settled' it can be cancelled by Prime Investment and the withdrawal amount requested can be used to satisfy your liabilities for any Transactions completed during such time, pursuant to Section 19.1 in conjunction with the terms of Section 19.3.
- 19.14. The Company shall have a general lien on all funds held by the Company or its Associates or its nominees on the Client's behalf until the satisfaction of his obligations under this Agreement.
- 19.15. The Company has the right to combine all or any Trading Account opened in the Client name and to consolidate the Balances in such accounts and to set-off such Balances in the event of Termination of the Agreement.
- 19.16. Any failure to enforce our rights hereunder shall not be deemed a waiver by us to enforce our rights hereunder

20. INACTIVITY FEE AND DORMANT ACCOUNTS

This fee will continue to be charged monthly as long as there is no login detected on your account. The inactivity fee will be equal to the lesser of your account equity or USD 10 (or equivalent depending on your chosen currency). You agree that we may deduct this fee from any funds held by us on your behalf. Upon assessment of the inactivity fee your account may be closed.
- 20.2. If, for a period of eighteen (18) consecutive calendar months, there is no activity on a client Trading Account (including deposit, withdrawal, access into the Trading Account, trading transaction), then the account shall be designated as 'dormant'.
- 20.3. Any remaining funds held in dormant Trading Accounts continue to be considered as Client Money, as per Section 17, and therefore their treatment continues to be subject to the same controls and procedures for the protection of Client Money applied by the Company.
- 20.4. Following the designation of your Trading Account as dormant, your Trading Account will remain inactive until you log-in into your Trading Account. The Company reserves the

right to terminate dormant accounts, as per Section 22.4 of this User Agreement and/or to ask you to submit documentation in order to start using your account again.

21. THIRD PARTY RELATIONSHIPS

- 21.1. In cases where the Client is introduced to the Company through a third party such as an affiliate (“Affiliate”), the Client acknowledges that the Company is not bound by any separate agreements entered into between the Client and the Affiliate. It is also made clear that the Affiliates are not authorised by us to bind the Company in any way, to offer credit in our name, to offer guarantees against losses, to offer investment services or legal, investment or tax advice in our name or collect your money.
- 21.2. You agree that introductory fees may be paid to third parties. All third party Affiliates are paid according to a “Cost per Acquisition” (CPA) arrangement by Prime Investment Ltd. Under the CPA arrangement the Affiliate receives a one-off fee for each referred Client. The applicable fee payable varies per country and number of referred Clients. 25. AUTHORITY TO TRADE - YOUR CONDUCT

- 25.1. Nothing in this Agreement shall exclude or restrict any duty or liability owed by us to you under the Law or the CySEC rules and, notwithstanding any other provision of this Agreement, we shall be entitled to take any action that we consider necessary to ensure compliance with any relevant legislation and regulations. In the event of a conflict between any provision of this Agreement and any relevant legislation and regulations, the relevant legislation and regulations shall prevail.
- 25.1.1. Each time you enter into a trade you agree to repeat the following conditions:
- 25.1.2. You are not an employee of any Exchange, a corporation in which any Exchange owns a majority of the capital stock, a member of any Exchange and/or firm registered on any Exchange or any bank, trust or insurance company that trades in CFDs;
- 25.1.3. You will not enter into any Transaction which falls within the definition of Market Abuse. You are reminded that this applies to all forms of Market Abuse such as insider trading (an abusive exploitation of privileged confidential information), the misuse of information and directors trading in shares of their own companies; in such circumstances we reserve the rights to void / cancel part/all your abusive trading transactions, close all and any of your Trading Accounts and terminate the User Agreement under Section 22.3 or Section 22.6.
- 25.1.4. You will not enter into any transactions which fall within the definition of Scalping or automated data entry system. Accordingly, Client transactions with short duration and with a win/loss ratio significantly in your favour may be deemed as abusive trading and will not be allowed; in such circumstances we reserve the rights to void/cancel part/all your abusive trading transactions, close all and any of your Trading Accounts and terminate the User Agreement under Section 22.3 or Section 22.6.
- 25.1.5. You will not use the Trading Platform in an abusive way by lag trading and/or usage of server latency, price manipulation, time manipulation and similar arbitrage practices. In such a case we reserve the rights to void/cancel part/all your abusive trading transactions, close all and any of your Trading Accounts and terminate the User Agreement under Section 22.3 or Section 22.6.
- 25.1.6. You or others Acting in Concert with you, possibly Connected Accounts held with the Company and/or with different entities within the Prime Investment group, will not enter into transactions or combinations of transactions such as holding long and short positions in the same or similar instruments at similar times which taken together or separately are for the purpose of manipulating the Trading Platform for gain, irrespective of how the accounts have been funded, for example, but not limited to, personal deposits. Transactions, or combinations of transactions in Option CFDs in the same underlying instrument, at similar times in the same direction such as holding a short position on a Call Option CFD and a short position on Put Option CFD in the same underlying instrument, is also an activity prohibited on the Prime Investment platform. Such activities are referred to as Hedging and shall be subject to

our right to seek reimbursement from you or any of the Connected Accounts held with the Company and/or with different entities within the Prime Investment group, to off-set the losses sustained by the Company as a result of your hedging transactions, and the hedging transactions of others Acting in Concert with you or from, possibly Connected Accounts, as per Sections 19.10 and

28.7. In such a case, we also reserve the right to close all and any of your Trading Accounts and terminate the User Agreement under Section 22.3 or Section 22.6.

25.1.7. The execution, delivery and performance of the User Agreement and your use of the Trading Platform including each Transaction you complete thereto will not violate any law, ordinance, charter, by-law or rule applicable to you, in the jurisdiction in which you are resident, or any agreement by which you are bound or by which any of your assets are affected;

25.1.8. Other than in exceptional circumstances you will not send funds to your Trading Account from any bank or other account other than as stipulated in the Registration Data. Remittances from company accounts will not be accepted. Transfers from a joint account will only be allowed if you are one of the named beneficiaries on that account. Whether exceptional circumstances exist will be determined by us from time to time; and

25.1.9. You are not a director or officer of the company underlying the Instrument.

25.2. You hereby authorise us to act on any instruction given by you on the Trading Platform.

25.3. We shall be entitled, and you hereby authorise us, to rely upon any oral, electronic or written communication or instruction received from you through the Trading Platform or from email instructions received from the Account Credentials used when you first accessed the Trading Platform. You agree that:

25.3.1. once securely logged on to the Trading Platform following entry of the Account Credentials, you authorise us to act upon instructions and to consider the instructions of like force and effect as written Orders made by you;

25.3.2. you shall hold us harmless from all losses, costs, fees, damages, expenses, claims, suits, demands and liabilities whatsoever that we may suffer or incur or that may be brought against us, in any way relating to or arising out of our acting upon any such instructions or information received from you.

25.3.3. you shall bear the risk of all instructions, whether authorised, unauthorised, improper or fraudulent, even if it transpires such instructions were provided without your authority. You shall indemnify us against any liabilities that we may incur or that may arise as the result of legal or other actions brought against us, arising out of our acting upon, delay in acting upon or refusal to act upon any such instructions or information.

25.4. Without derogating from the above, we will not be under any duty to act in accordance with any instruction if we reasonably believe that:

25.4.1. the person who provided such an instruction was acting in excess of his authority;

- 
- 25.4.2. acting upon such an instruction would infringe any law, rule, regulation or the User Agreement; or
- 25.4.3. in the event that we have accepted an offer to perform a Transaction that we later suspect falls within Sections 25.4.1 or 25.4.2, we may, in our absolute discretion, either close such a Transaction at the then prevailing price quoted on the Trading Platform or treat the Transaction as having been void from the outset.

Nothing in this Section shall be construed as an obligation on our part to inquire about the authority of any person who purports to represent you.

- 25.5. Any offer to open or close a Transaction (including an Order) must be made by you through the Trading Platform only. Written offers to open or close a Transaction, including offers sent by fax, email or text message will not be accepted.
- 25.6. If we receive an offer to open or close a Transaction other than in accordance with Section 25.5, we may act on such an offer, in our absolute discretion, however we will not be responsible for any loss, damage or cost that you suffer or incur arising out of any error, delay or omission in our acting or refusing to act on such an offer.
- 25.7. It is your responsibility to ensure, at all times, that we have been notified of your current and updated Registration Data including current and correct address, contact phone number and email address. You must immediately update the Company or the Trading Platform in the event of a change to your address or contact details, unless we agree to another form of communication.
- 25.8. In accordance with the European Market Infrastructure Regulation (EMIR), you are classified as a “NFC-“ (a Non-Financial Counterparty to whom the EMIR clearing obligation does not apply). Accordingly, Prime Investment has the contractual right to terminate any open CFDs and claim any resulting losses (including, without limitation, by appropriating the posted margin) if this classification is, or subsequently becomes, incorrect.

26. DISTANCE SELLING AND MARKETING AND RIGHT TO CANCEL

Right to Withdraw / Cancel

- 26.1. If the Client is a private individual and does not meet face to face with the Company to conclude this Agreement, but instead the communication is done through a website or by written correspondence (including e-mail and online chat), then the Distance Marketing of Financial Services Law N. 242(I)/2004, as amended, applies and the Client may withdraw from and cancel this Agreement without needing a reason and without any cost, unless Section 26.2 applies.
- 26.2. The right to cancel the Agreement does not apply on any service, the performance of which has been fully completed at the Client's request before giving the cancellation notice and/or to execution of Orders in CFDs and Foreign Exchange Services because the price of the Underlying Asset and of currencies (respectively) depends on fluctuations in the financial markets which may occur during the Cancellation Timeframe and which are outside the control of the Company. Therefore, the right to cancel the Agreement does not apply to the execution of Orders in CFDs including the provision of the foreign exchange ancillary services.

- 26.3. The Client can exercise the right to withdraw from and cancel this Agreement, within 14 days of its Commencement Date ("Cancellation Timeframe"). After the 14 days the Cancellation Timeframe will expire.
- 26.4. The Client can exercise the right by providing an unequivocal statement as cancellation notice in writing via the "Contact Us" page on our Website, before the Cancellation Timeframe has expired.

Effects of Withdrawal/ Cancellation

- 26.5. When the Client exercises the right to withdraw from and cancel the Agreement, this shall have the effects of:
 - 26.5.1. The Agreement being terminated from the date the cancellation notice was received by the Company.
 - 26.5.2. The Client will not be able to place new Orders with the Company, but the Client will be able to close any Open Positions placed already within the Cancellation Timeframe. If they are not closed until the end of the Cancellation Timeframe, the Company reserves the right to close such Transactions on your behalf, at the last available price, before permanently closing your Trading Account at the end of the Cancellation Timeframe.
 - 26.5.3. Any Transactions executed already within the Cancellation Timeframe, including opening and closing of a Transaction, cannot be cancelled, because they have been fully completed with the Client's request and because the price of CFDs is linked to fluctuations in the relevant underlying market, which the Company has no control of.
 - 26.5.4. Any foreign exchange services provided already within the Cancellation Timeframe cannot be cancelled, because the price of currencies is linked to fluctuations in the market, which the Company has no control of and because these services have been fully completed with the Client's request.
 - 26.5.5. Subject to the Company's right to be paid for services rendered, the Company shall return to the Client the available Balance in the Trading Account, and shall do so as soon as possible. We will carry out such reimbursement using the same means of payment as you used for the initial payment to us or other verified payment methods. For the avoidance of any doubt, the costs, fees, charges, payable to the Company for services rendered are reflected and made available to you before placing Orders in each instrument's details tab on the Trading Platform.
- 26.6. If the Client does not exercise the right to cancel the Agreement within the Cancellation Timeframe, the Agreement shall continue to bind both Parties and the Company shall have an obligation to offer its services hereunder. Please note that irrespective of the Client exercising the right to cancel the Agreement within the Cancellation Timeframe, the Client still has the right to terminate the Agreement according to Section 22.2 at any time.

27. COUNTERPARTY DISCLOSURE

- 27.1. The trading you conduct on the Trading Platform is not conducted on an Exchange. We act as counterparty in Transactions conducted on the Trading Platform and, therefore act as the buyer when you offer to Sell an Instrument and the seller when you offer to Buy an Instrument. The prices we offer on the Trading Platform might not be the best prices available. Please see our Order Execution policy for further details.
- 27.2. Although we are the counterparty to each of your Transactions, we may limit our risk by immediately hedging (offsetting) your Transactions with another Transaction that we enter into with a Financial Institution. We may be compensated by marking up the price we receive from the Financial Institution. You should be aware that we may make a profit should the market price go against you. Additionally, since we act as the buyer or the seller in a Transaction, you should carefully evaluate any trade information you receive from us, or information received from any referred Financial Institution.

28. LIMITATION OF LIABILITY

- 28.1. Subject to Section 28.2, our aggregate liability to you in respect of all claims arising out of or in connection with the User Agreement (including without limitation as a result of breach of contract, negligence or any other tort, under statute or otherwise) will be limited to the aggregate amount of the deposits less withdrawals on your Trading Account.
- 28.2. The Company shall not be liable:
 - 28.2.1. for any loss, expense, cost or liability (together 'loss') suffered or incurred by you unless and to the extent that such loss is suffered or incurred as a result of our negligence or wilful default;
 - 28.2.2. for any indirect loss or damage (whether for loss of future profit, loss of business or otherwise), costs, expenses or other claims for compensation whatsoever (howsoever caused) which arise out of or in relation to the User Agreement; or
 - 28.2.3. for any loss suffered or incurred by you as a result of any error in any Order or instruction which is, or appears to be, from such Authorised Person.
 - 28.2.4. for any loss or damage, including without limitation, any loss of profit, which may arise directly or indirectly from use of or reliance on any Financial Data, prices, leverage, margin or other information available to you on the Website or the Trading Platform or offered by us, as per Section 15.3.
- 28.3. Nothing in this Section 28 will exclude, limit or restrict either party's liability for fraud or fraudulent misrepresentation committed by that party (or its officers, agents or employees).
- 28.4. You acknowledge that the Trading Platform has not been developed to meet your individual requirements and that it is therefore your responsibility to ensure that the facilities and functions of the Trading Platform meet your individual requirements.

- 28.5. You acknowledge that the Trading Platform may not be free of bugs or errors and you agree that the existence of any minor errors shall not constitute a breach of any of the User Agreement.
- 28.6. The User Agreement sets out the full extent of our obligations and liabilities in respect of the supply of the Trading Platform. In particular, there are no conditions, representations or other terms, express or implied, that are binding on us except as specifically stated in the User Agreement.
- 28.7. You shall hold us harmless in respect of all liabilities which we suffer or incur as a direct or indirect result of a breach by you or your obligations under the User Agreement or us exercising our rights in relation to the provisions within the User Agreement, unless and to the extent such liabilities are suffered or incurred as a result of our negligence or wilful default. You shall hold us harmless against all losses which we may suffer as a result of any error in any instruction given to us by any Authorised Person or our acting on any instruction, which is, or appears to be, from an Authorised Person. You agree to promptly pay us all damages, costs and expenses, including legal fees, we have incurred in the enforcement of any of the provisions of the User Agreement and any other agreements we have with you. Unless the Company has been negligent, we shall not be held liable and are released by you from all claims and losses arising out of:
- 28.7.1. any delay, failure or error by you in implementing any reasonable instruction we have provided to you;
 - 28.7.2. any inaccurate or incomplete instructions received from you;
 - 28.7.3. any reliance or use by you or any other third party with access to your Trading Account of any Financial Data which has been provided on a best endeavours basis, whether to complete a Transaction on the Trading Platform or for any other purpose whatsoever:

provided that we promptly notify you in writing of any such claim and allow you to participate, at your own expense, in the defence of any such claim. You shall not enter into any settlement or compromise of any such claim without our prior written consent.
